We offer sponsors unique opportunities to tap into the world's fastest growing markets, discover new business opportunities, increase awareness for products among technology multipliers and recruit outstanding talents.
Host Countries and Venues

Bangkok • Berlin • Colombo • Hanoi • Ho Chi Minh City
Hyderabad • Kuala Lumpur • Shenzhen • Singapore •
Tokyo • Vienna • Yangon

Locations

Locations of Open Tech events are premier entry points to the European and Asian markets, be it Singapore, Tokyo, Shenzhen, Berlin or Vienna. They are easy to reach and are regional tech hubs. Central geographical locations and access to world class infrastructure make our events the perfect destination for technology leaders.

Open Tech events are the place to meet open source developers and companies from across the world, that are leading technology development impacting businesses globally.

Venues

Open Tech events are held at prime locations for major tech and education conferences. Events take place at tech hubs, collaboration spaces, central tech institutes and leading top 100 university campuses. We go where the tech community meets and collaborates to ensure you meet the technology leaders of today and tomorrow.
A Decade of Fostering Open Tech

Our first open tech event took place in 2009. Since then we organized conferences and meetups around the world including in Vietnam, Thailand, Cambodia, Japan, China, India, Germany, Belgium, the US and many other places.

In 2019 we held the FOSSASIA Summit 10th anniversary event in Singapore. It marks a successful decade of fostering open source technology across Asia. In Europe, the events are organized by the OpnTec GmbH from Berlin which has extensive experience organizing conferences for the EU and larger corporations.

The top reasons that people attend open tech events are to learn about and evaluate new tech solutions and get hands-on experience in workshops, for networking and for recruitment purposes (both recruiters and job seekers).

Events 2019 • 2 Continents • 76 Delegate Countries • 473 Speakers • 512 Sessions and Workshops • 500+ Companies • 80+ Universities
